Test Your knowledge
Take A Quiz!

The quiz is a form of student assessment that measures knowledge, skills, and abilities. A quiz is generally a short assessment that can gauge a student's retention and comprehension. A quiz can function throughout a course as an informative feedback device, allowing both the instructor and the students to see where they are excelling or need more focus. In order to organize quizzes effectively, it is important to establish and understand the learning objectives that are being measured.
